Dr. H. C. Burleigh,

Bath, Ont.

Dear Dr. Burleigh:

Thanks very much for yours of August 18, I greatly appreciate the trouble you have gone to in this matter.

I will write Dr. Stanley as you suggest. Allan Macpherson was one of Grant's correspondents as I have a letter from him dated February 17, 1849 giving the details on the health of a couple of members of the family who were ill, and noting Grant is to send medicine from Kingston.

Chadwick does not appear to have any information on Grant, but I have not had an opportunity to check the supplements.

Will certainly let you know if I find any connection between Grant and Newfoundland, and again many thanks

18 August, 1964.

Mr. Fred. H. Armstrong,  
Middlesex College,  
The University of Western Ontario,  
London, Ont.

Dear Mr. Armstrong:

This will answer your query re William Grant who married  
Rebecca Barker. I have very little, but will summarize it as follows:

1. The Barkers were NOT U. E. Loyalists, despite the statements appearing in the Barker Genealogy. None of this name came to Adolphustown with Major Van Alstine. There is evidence that they did come in about, or shortly before, 1794. Being Quakers, they did not join the Royal Standard during the Revolution, and thus can not qualify.
2. I have seen the Barker Genealogy, and made some notes from it, but not in detail. I do have the dates on Rebecca, wife of Grant. She was born 10 May, 1815; died 11 Jan., 1867. Grant's dates are lacking. It is possible that the Genealogy gives more details.
3. The Kingstor Directory of 1853 gives a William Grant, foreman of the Provincial Penitentiary Works, who resided at 25 Barrie Street, Kingston.
4. There was no William Grant in the Directory of 1865 in Kingston.

Last winter Dr. George Stanley, Royal Military Historian, gave an exhaustive study of Allan McPherson, of Nepence. This paper referred in much detail to the relationship between McPherson and Sir John A. Macdonald. It is possible that the Grant family was mentioned. I can suggest that you appeal to him for possible information.

I wonder if this William Grant belonged to a Newfoundland family? I have been interested in such a family, it being connected with my wife's ancestry. If this be so, I shall be interested in details.

I hope that my friend, Gordon Walmsley, can be of assistance to you. I have a box in my attic which contains many letters written by a lawyer in Picton in the 1830's and 1840's. I shall have to look through it for Grant's name. These letters have not been sorted or indexed, I am sorry to say.

If I can be of further assistance, please let me know.  
I could suggest a look by you through 'Ontarian Families,' by Chadwick.

Yours sincerely,

Kingston 1865 — nil

Dear Dr. Burleigh: Barkers not U.S.

I understand that you are the genealogist for the United Empire Loyalists, and wonder if you could give me any help on a problem. I have part of the correspondence of a William Grant who was evidently a connection of Sir John A. Macdonald in the 1840s, but though he was evidently a man of influence and some wealth I have been unable to find out much on his personal life.

There are only a few facts I can provide for you to go on. He was resident in Montreal about 1842, but shortly afterwards moved to Picton where he married Rebecca Barker (of the prominent UEL family of that town). In 1847 they sold their property "Hillside" near Picton and moved to Kingston where they were still resident in 1852. Then they moved to King Street Grant used Macdonald's office as his mailing address, and such a close connection makes it possible that he was related in some way.

If you have details on the Barker family I would also appreciate it if you could let me have the dates of Mrs. Grant's birth and death.

I have also been making inquiries at Picton and Mr. Gordon Walmsley of Walmsley & Walmsley there is being kind enough to do some checking.

Thanking you, yours truly,  
Frederick H. Brewster

Miss M.V. Huffman,  
Bath Historical Society,  
Bath, Ontario.

Dear Miss Huffman:

The American Association for State and Local History is bringing out a revised edition of the handbook of Historical Societies of the United States and Canada which last came out in 1936.

There has been a hitch in securing the Canadian information for the volume and I have volunteered to try to find it for the American Association. I am, therefore, enclosing the form which the Association has prepared for filling in by various local societies and would appreciate it if you could return this to me as soon as possible. It would be a pity if any Canadian Society were left out of the volume which is quite an important piece of work. Naturally the editor has to depend on the co-operation of the officers of the local societies.

Even if your society may not be particularly active at the moment, I think that it would be well to fill in those parts of the form which are applicable.

Yours sincerely,

James J. Talman
